(Before Shri Ajit J. Agni, Hon'ble Presiding Officer)

No. II/1/94

Shri S. V. Katkar,
Rep. by A. C. G. L. Workers Union
Honda, Satari-Goa.

... Workmen/Party I

V/s

M/s Automobile Corporation of Goa Ltd.,
Honda, Satari-Goa.

... Employer/Party II

Party I represented by Shri Subhas Naik.

Party II represented by Adv. M. S. Bandodkar.

Panaji, dated: 17-III-95.

AWARD

In exercise of the powers conferred by clause (d) of Sub. Section (1) of Section 10 of the Industrial Disputes Act, 1947, the Government of Goa by order dated 13-9-93 bearing No. 28/38/93-LAB referred the following dispute for adjudication by this Tribunal.

"Whether the action of the Management of M/s. Automobile Corporation of Goa Ltd., Honda, Satari, Goa, in terminating the services of their workman Shri S. V. Katkar, with effect from 1st October, 1990 is legal and justified?

If not, to what relief the workman is entitled?"

2. On receipt of the reference a case was registered under No. IT/1/94 and registered A/D notice was issued to the

parties. In pursuance of the said notice, the parties put in their appearance. The Party I (for short, 'Union') filed its statement of claim which is at Exb. 3. The facts of the case in brief as pleaded by the Union are that the Party II (for short 'Employer') is engaged in the business of the production of spare parts for various motor vehicles, and is having its factory situated at Honda, Satari, Goa. The workers of the employer are the members of the Trade Union known as ACGIL Workers' Union, and the said Union is registered under the provisions of the Trade Unions Act. Shri S. V. Katkar (for short, 'workman') was employed with the employer since 4-11-82. Initially he was appointed as a job apprentice and thereafter he was confirmed in the services as an Operator w. e. f., 3-5-85. Shri S. V. Katkar was elected as the General Secretary of the said Union in the meeting held in Feb., 1989. The Union had submitted its demands to the employer and after mutual discussions a settlement was arrived at on wages and service conditions and the said settlement which was signed in the year 1988 expired on 31-5-90. Thereafter Shri Katkar on behalf of the Union submitted a fresh charter of demands demanding improvement in wages and service conditions. After the demands were submitted the employer issued a charge sheet to the workman Shri Katkar dated 2nd April, 1990 alleging that he had remained unauthorisedly absent in the years 1983 to 1989. In the charge sheet as well as in the annexure to the charge sheet no specific dates were mentioned as regards the dates on which the workman was supposed to have remained unauthorisedly absent. The workman submitted his reply to the charge sheet by reply dated 10-4-90. Subsequently, the employer appointed an Inquiry Officer to enquire into the charges levelled against the workman. In the proceedings before the Inquiry Officer the workman raised preliminary objection before the I. O., pertaining to vagueness of the charge sheet, no cause of action for issue of charge sheet etc. The I. O., did not give any findings on these objections and passed an order stating that orders on the preliminary objections would be given at the time of the recording of the evidence of enquiry. After the enquiry was completed the I. O., submitted his findings dated 14th August, 1990. In the findings the Inquiry Officer dismissed the preliminary objections raised by the workman and held the workman guilty of the charges levelled against him. Thereafter the employer issued a show cause notice dated 10th Sept., 1990 to the workman which was replied to by the workman by replies dated 12-9-90 and 24-9-90. The employer however, issued a dismissal order to the workman by letter dated 1st October, 1990 dismissing the workman from service with immediate effect. After the reply of the dismissal order the workman raised an industrial dispute with the employer demanding reinstatement in service with full back wages. Since the employer did not comply with the demand, the Union raised an industrial dispute before the Labour Commissioner and since no amicable settlement could be arrived at the Labour Commissioner submitted failure report to the Government. The Union contended that the findings of the Inquiry Officer were perverse and they were not based on the evidence on record. The Union also contended that the punishment of dismissal from service imposed by the the employer is highly unjust and disproportionate to the misconduct alleged against the workman and further stated that the employer dismissed the workman from service, by way of victimisation for his trade union activities. The Union therefore prayed that the workman be ordered to be reinstated with full back wages.

3. The employer filed a written statement which is at Exb. 4. The employer stated that the services of the workman were terminated because he was found remaining absent unauthorisedly without any justification. The employer stated that in the enquiry held against the workman the charges levelled against the workman were sufficiently proved by leading evidence. The employer denied that the findings of the Inquiry Officer were perverse or that they were not based on evidence which was produced in the enquiry. The employer also denied that the termination of the services of the workman was by way of victimisation for his trade union activities. The employer further denied that the charges levelled against the workman were vague. The employer therefor stated that the termination of the services of the workman was legal and justified and he was not entitled to any relief.

4. Thereafter the Union filed a rejoinder which is at Exb. 5. On the pleadings of the parties, issues were framed at Exb. 6 and after the issues were framed the case was fixed for evidence of the Union. However, on 29-9-95, Shri V. D. Parulekar, General Secretary of the Union, the workman and Adv. M. S. Bandodkar for the employer appeared and submitted that the dispute between the parties was amicably settled and filed the terms of settlement dt. 28-9-95 at Exb. 9, duly signed by the parties, praying that the consent Award be passed in terms of the settlement. I have gone through the terms of the settlement Exb. 9, and I am satisfied that they are certainly in the interest of the workman. I, therefore, accept the submissions made by the parties and pass the consent award in terms of the settlement dt. 28-9-95 at Exb. 9.

ORDER

1. It is agreed by the Employer/Party II that Rs. 95814/- (Rupees Ninety Five Thousand and Eight Hundred Fourteen Only) shall be paid to Shri S. V. Katkar, in full and final settlement of his claims arising out of the employment of whatsoever nature including claims arising out of above reference.

2. Mr. S. V. Katkar, shall accept the amount mentioned in clause (1) above in full and final settlement of his claim arising out of his employment and the above reference and further confirms that he shall have no claim of whatsoever nature against the Company, including any claim of reinstatement or re-employment.

3. It is agreed by the workman that the amount mentioned in clause (1) shall also include Notice Pay, Gratuity, Provident Fund, Bonus, Ex-Gratia etc., if any up to date.

There shall be no order as to costs. Inform the Government accordingly.
